

# Code Quality Intelligence

Report Generated On: 13/07/2026

Repository URL: <https://github.com/jaymore4501/repogpt>

## Executive Summary

| Metric                | Value    | Metric             | Value |
|-----------------------|----------|--------------------|-------|
| Overall Quality Score | 80/100   | Average Complexity | 31    |
| Issues Detected       | 10 files | Total Files        | 32    |
| Total Lines of Code   | 7053     | Duplicate Code     | 0%    |

## Security & Originality

### Security Vulnerabilities Breakdown:

Critical (0) High (1) Medium (2)

### Code Duplication Rate:

Duplicated (0%) Unique (100%)  
Duplicate Lines: 5 | Duplicate Blocks: 1 | Similar Files: 0

## Repository Analytics & Activity

| Contributors | Total Commits | Active Branches | Latest Commit Date | Latest Committer |
|--------------|---------------|-----------------|--------------------|------------------|
| 1            | 19            | 3 (main)        | 07/06/2026         | Jay More         |

## Repository Size & Metadata

| Total Size | Smallest File    | Average File Size | Indexed At |
|------------|------------------|-------------------|------------|
| 260.4 KB   | CLAUDE.md (12 B) | 8.1 KB            | N/A        |

## Language Distribution

## Top Code Smells

| Smell Type   | Occurrences |
|--------------|-------------|
| Deep Nesting | 9           |
| Large File   | 5           |

## Highest Complexity Files

| File Path                                     | Complexity Score |
|-----------------------------------------------|------------------|
| src/lib/parser.ts                             | 100              |
| src/lib/rag.ts                                | 100              |
| src/app/dashboard/[repold]/visualize/page.tsx | 100              |
| src/app/page.tsx                              | 82               |
| src/app/api/chat/route.ts                     | 79               |

## Folder Statistics

| Folder Name                | Files | Total LOC | Avg Complexity |
|----------------------------|-------|-----------|----------------|
| Root                       | 13    | 1545      | 7              |
| src/components             | 4     | 254       | 12             |
| src/app                    | 3     | 1126      | 35             |
| src/lib                    | 3     | 1833      | 89             |
| src/app/dashboard/[repold] | 2     | 553       | 46             |
| src/app/api/repository     | 1     | 25        | 23             |
| src/app/api/visualize      | 1     | 25        | 23             |
| src/app/api/file           | 1     | 92        | 45             |

| Folder Name                          | Files | Total LOC | Avg Complexity |
|--------------------------------------|-------|-----------|----------------|
| src/app/api/analyze                  | 1     | 137       | 55             |
| src/app/api/chat                     | 1     | 215       | 79             |
| src/app/dashboard/[repold]/chat      | 1     | 388       | 76             |
| src/app/dashboard/[repold]/visualize | 1     | 860       | 100            |
